MEMORANDUM OF LAW IN SUPPORT OF VERIFIED PETITION TO CONTEST GEORGIA'S PRESIDENTIAL ELECTION RESULTS FOR VIOLATIONS OF THE CONSTITUTION AND LAWS OF THE STATE OF GEORGIA, AND REQUEST FOR EMERGENCY DECLARATORY AND INJUNCTIVE RELIEF

COME NOW Donald J. Trump, in his capacity as a Candidate for President, and Donald J. Trump for President, Inc. (collectively "Petitioners"), Petitioners in the above-styled civil action, by and through their undersigned counsel of record, and file this their Memorandum of Law in Support of their Verified Petition to Contest Georgia's Presidential Election Results for Violations of the Constitution and Laws of the State of Georgia, and Request for Emergency Declaratory and Injunctive Relief ("Petition for Contest"). The purpose of this Memorandum is to set forth pertinent Georgia law governing election contests filed in the State of Georgia and the statutory and constitutional remedies attendant to the November 3, 2020 General Election in the State of Georgia ("the Contested Election").

Georgia Election Code and Case Law Governing Election Contests

The Georgia Election Code sets forth the right and procedure for an election contest in O.C.G.A. §§ 21-2-520 *et seq.* ("the Election Code"). Section 521 provides that "the election of any person who is declared elected to any [federal office]...may be contested by any person who was a candidate at such...election for such...office, or by any aggrieved elector who was entitled to vote for such person..." The "defendant" can be: (1) "The person whose...election is contested;" (2) "The election superintendent or superintendents who conducted the contested...election; or" (3) "The public officer who formally declared the number of votes for and against any question submitted to electors at an election." O.C.G.A. § 21-2-520(2).

The result of the Contested Election "may be contested on one or more of the following grounds: "(1) Misconduct, fraud, or irregularity by any primary or election official or officials sufficient to change or place in doubt the result;...(3) When illegal votes have been received or legal votes rejected at the polls sufficient to change or place in doubt the result; (4) For any error in counting the votes or declaring the result of the...election, if such error would change the result; or (5) For any other cause which shows that another was the person legally...elected..." O.C.G.A. § 21-2-522.

The Georgia Supreme Court stated, "Elections are critical to our democratic republic. We give great credence to the choices citizens make when they engage in the democratic process by voting to select their representatives." *Martin v. Fulton Cty. Bd. of Registration & Elections*, 307 Ga. 193, 193 (2019). As such, "great weight" is afforded "to election results." *Id.* "Indeed, the setting aside of an election in which the people have chosen their representative is a drastic remedy that should not be undertaken lightly, but instead should be reserved for cases in which a person challenging an election has clearly established a violation of election procedures and has

demonstrated that the violation has placed the result of the election in doubt." Id. at 193-94 (citation, quotations, and punctuation omitted) (emphasis added). "Georgia law nonetheless allows elections to be contested through litigation, both as a check on the integrity of the election process and as a means of ensuring the fundamental right of citizens to vote and to have their votes counted securely." Id. at 194 (emphasis added). "An election should not be permitted to stand, the results of which were obtained by illegal or fraudulent voting, or by adding to or subtracting from the ballots cast by the voters." Bush v. Johnson, 111 Ga. App. 702, 705 (1965); see also id. at 705 ("Honest and fair elections must be held in the selection of the officers for the government of this republic, at all levels, or it will surely fall. If we place our stamp of approval upon an election held in the manner this one is alleged to have been held, it is only a matter of a short time until unscrupulous men, taking advantage of the situation, will steal the offices from the people and set up an intolerable, vicious, corrupt dictatorship").

Allowing election contests and providing an expedited procedure for such contests "balances citizens' franchise against the need to finalize election results, which, in turn, facilitates the orderly and peaceful transition of power that is a hallmark of our government." *Martin*, 307 Ga. at 194; *see also Stiles v. Earnest*, 252 Ga. 260, 262 (1984) ("There is a sanctity to elections under our system of self-government, wherein the will of the people – freely voiced and fairly polled – is the supreme law, and that sanctity must be preserved from all assault, witting or no").

In general, election returns are presumed to be "valid, and the party contesting the election has the burden of showing an irregularity or illegality sufficient to change or place in doubt the result of the election." *Martin*, 307 Ga. at 267 (citation and quotations omitted). "It is not sufficient to show irregularities which simply erode confidence in the outcome of the election, and...elections cannot be overturned on the basis of mere speculation." *Martin*, 307 Ga. at 267

(citation and quotations omitted); see also Bailey v. Colwell, 263 Ga. 111, 111 (1993) ("Election results are presumed valid, and one contesting those results has the burden to affirmatively show that the facially valid results were invalid due to an irregularity sufficient to place the entire election result in doubt"). "In the majority of cases in which [the Georgia Supreme Court] has affirmed an order setting aside an election, [it has] required the evidence to show that a sufficient number of electors voted illegally or were irregularly recorded in the contest being challenged to change or cast doubt on the election." Meade v. Williamson, 293 Ga. 142, 143 (2013) (citation and quotations omitted).

"A trial court hearing an election contest may declare an election invalid and call for a second election if it determines that the election is so defective as to place in doubt the result of the election." *Bailey*, 263 Ga. at 111 (citation and quotations omitted). "[A] trial court's findings in an election contest will not be disturbed unless clearly erroneous." *Martin*, 307 Ga. at 267 (citation and quotations omitted); *see also Parham v. Stewart*, 308 Ga. 170, 173 (2020) (same). "[E]ven a clearly erroneous factual finding does not always require reversing a trial court's judgment," particularly "when the trial court's ultimate legal conclusions are correct based on the evidence presented." *Martin*, 307 Ga. at 226.

Historically, there are two recognized paradigms in Georgia case law concerning election contests. *See Martin*, 307 Ga. at 222. "The first paradigm – which includes the vast majority of election contest cases – pertains to allegations of illegal votes, irregularly recorded votes, and illegal or irregular ballots." *Id.* In such a case, the petitioner must demonstrate "that a sufficient number of electors voted illegally or were irregularly recorded in the contest being challenged to change or cast doubt on the election." *Id.* (citation and quotations omitted). "The party contesting the election is not, however, required to show how votes would have been cast had the ballots

been regular or had the votes not been rejected wrongfully." *Id.* at 223; *see also Whittington v. Mathis*, 253 Ga. 653, 655 (1985) ("Under Georgia law, however, [petitioner] need not establish *how* the rejected voters would have voted; he need *only* establish that sufficient legal votes were rejected to change or place in doubt the result" (emphasis added)). In other words, "[w]hen illegal voting has been alleged, it is only necessary to show (1) that electors voted in the particular contest being challenged and (2) a sufficient number of them were not qualified to vote." *McIntosh Cty. Bd. of Elections v. Deverger*, 282 Ga. 566, 566 (2007) (citation and quotations omitted).

"The second paradigm involves cases where a party alleges systemic irregularities in the election process that may not be measurable in the same discrete manner that is used in cases falling within the first paradigm." *Martin*, 307 Ga. at 223. There, "the result of an election may be voided where systemic irregularities in the process of the election are sufficiently egregious to cast doubt on the result." *Id.* (citation and quotations omitted). Moreover, "the alleged systemic irregularities" must have "caused the election result to be placed in doubt." *Id.* With regard to Georgia's November 3, 2020 election results for the Office of the President of the United States, as indicated by the evidence gathered, both paradigms of failures occurred.

Remedies When An Election is Defective and a Failure.

The Election Code allows a Court hearing an election contest to: (1) rule the election a failure and call for a second election or runoff; (2) order a recount; (3) order a special election; and/or (4) allow the General Assembly a chance to amend any unfair procedural rules. *See generally* O.C.G.A. § 21-2-527. Under O.C.G.A. § 21-2-527, when the court determines that an election is so defective as to place doubt in the result, the court shall declare the election to be invalid and shall call for that invalid election to be conducted among all of the same candidates and set the date for such second election. Similarly, if the contestant can sustain charges, or

enough of them to cast doubt on whether the election was fairly and lawfully conducted, then it should be voided and another held. *Nichols v. Acree*, 112 Ga App. 287, 145 S.E.2d 92 (1965). Showing that invalid absentee ballots were cast and counted, is enough to entitle a candidate to a new election should it exceed it the margin of victory. *Mead v. Sheffield*, 278 Ga. 268, 601 S.E.2d 99 (2004).

Election results are afforded great weight in executing the exercise of our democracy and because of this, "[t]he setting aside of an election in which the people have chosen their representative is a drastic remedy that should not be undertaken lightly, but instead should be reserved for cases in which a person challenging an election has clearly established a violation of election procedures and has demonstrated that the violation has placed the result of the election in doubt. *Martin v. Fulton County Bd. of Registration & Elections*, 307 Ga. 193, 193 (2019). Accordingly, because the results of the Contested Election are impossible to ascertain with certainty, due to the number of illegal votes that are included in the tabulations, Petitioners are, accordingly, entitled to a new election.

Constitutional Provisions at Issue

The Georgia Constitution provides, "Protection and property is the paramount duty of government and shall be impartial and complete. No person shall be denied the equal protection of the laws." Ga. Const. Art. I, § I, Para. II. Under Georgia's Equal Protection Clause, "the government is required to treat similarly situated individuals in a similar manner." *Favorito v. Handel*, 285 Ga. 795, 798 (2009) (citation and quotations omitted).

Additionally, pursuant to the Georgia Constitution, "No person shall be deprived of life, liberty, or property except by due process of law." Ga. Const. Art. I, § I, Para. I. "All citizens of the United States, resident in this state, are hereby declared citizens of this state; and it shall be

the duty of the General Assembly to enact such laws as will protect them in the full enjoyment of the rights, privileges, and immunities due to such citizenship." Ga. Const. Art. I, § 1, Para. VII. Voting is a fundamental right. In fact, voting is "of the most fundamental significance under our constitutional structure." *Burdick v. Takushi*, 504 U.S. 428, 433 (1992). While "restrictions on the right to vote strike at the heart of representative government," *see Reynolds v. Sims*, 377 U.S. 533, 555 (1964), states retain the power to regulate their own elections, *see Burdick*, 504 U.S. at 433. As a practical and a legal matter, courts allow "substantial regulation of elections" to guarantee elections are "fair and honest" and to ensure "some sort of order, rather than chaos, is to accompany the democratic processes." *Burdick*, 504 U.S. at 433 (*citing Storer v. Brown*, 415 U.S. 724, 730 (1974)).

A state's regulation of the time, places, and manner of its elections must comport with equal protection and other constitutional requirements. *See, e.g., Rep. Party of Penn. v. Cortes*, 218 F.Supp. 3d 396, 407-08 (E.D. Penn. 2016). But not every restriction is subject to strict scrutiny. Such a standard would be unworkable. *See Burdick*, 504 U.S. 428 at 433-34. Thus, courts employ a more flexible scale running from strict scrutiny to a rational basis review. *Id*.

A court considering a challenged to a state election law must first weigh "the character and magnitude of the asserted injury to the rights protected by the First and Fourteenth Amendments against "the precise interests put forward by the State as justifications for the burden imposed by its rule," taking into consideration "the extent to which those interests make it necessary to burden the plaintiff's rights." *Burdick*, 504 U.S. at 434 (*citing Anderson v. Celebrezze*, 460 U.S. 780, 788 (1983)). When the First and Fourteenth Amendment rights are subjected to "severe" restrictions, strict scrutiny applies. *Id.; see also Timmons v. Twin Cities Area New Party*, 520 U.S. 351, 358 (1997). When these constitutional rights are shaped by "reasonable, nondiscriminatory

restrictions," a less-searching examination closer to rational basis applies. *Id.*; *Ohio Council 8 American Federation of State v. Husted*, 814 F.3d 329, 335 (6th Cir. 2016). In this case, the "the State's important regulatory interests are generally sufficient to justify the restrictions." *Id.*; *see also Green Party of Tenn v. Hargett*, 767 F.3d 533, 546 (6th Cir. 2014) (state must identify the "important regulatory interests" that the regulations further). The "right of suffrage can be denied by a debasement or dilution of the weight of a citizen's vote just as effectively as by wholly prohibiting the free exercise of the franchise." *Reynolds v. Sims*, 377 U.S. 533, 555 (1964).

With regard to the Contested Election, violations of Georgia's Election Code were so numerous and egregious, that constitutional equal protection and due process protections utterly vanished. Respondents are responsible for promulgating and enforcing rules and regulations to (1) obtain uniformity in the practices and proceedings of election officials as well as legality and purity in all primaries and general elections, and (2) be conducive to the fair, legal, and orderly conduct of primaries and general elections. *See* O.C.G.A. §§ 21-2-30(d), 21-2-31, 21-2-33.1. While Respondents may adopt rules in furtherance of the "fair, legal and orderly conduct of…elections," such rules and regulations must be "consistent with law." *See* O.C.G.A. § 21-231.

Georgia's constitutional protection of the right to vote includes "the legitimate interest of Georgia in detecting and deterring voter fraud." *Democratic Party of Ga., Inc. v. Perdue*, 288 Ga. 720, 729 (2011) (citations, quotation, and punctuation omitted). For example, the Georgia Supreme Court has emphasized the importance of the public's right "to examine tabulating machines, O.C.G.A. § 21-2-359(d)," "the right to observe the tests designed to ensure the accuracy of those machines, § 21-2-359(c), the actual counting of the ballots, O.C.G.A. § 21-2-

471(b), and the computation and canvassing of returns, O.C.G.A. § 21-2-492." *Ellis v. Johnson*, 263 Ga. 514, 516 (1993).

Respondents' abject failure to conduct the Contested Election in accordance with the guarantees of equal protection and due process render the Contested Election null and void.

The Legislature's Constitutional Authority to Appoint Presidential Electors

The United States Constitution vests in the State Legislatures the authority to regulate federal elections: "The Times, Places and Manner of holding Elections for Senators and Representatives shall be prescribed in each State by the Legislature thereof; but the Congress may at any time by Law make or alter such Regulations, except as to the Places of choosing Senators." U.S. Const. Art. I, § 4. With respect to the appointment of Presidential Electors for the Electoral College, the Constitution further provides, "Each State shall appoint, in such Manner as the Legislature thereof my direct, a Number of Electors, equal to the whole Number of Senators and Representatives to which the State may be entitled in Congress." U.S. Const. Art. II, § 1.

In Georgia, the General Assembly is the "legislature." *See* Ga. Const. Art. III, § 1, Para. I. ("The Legislature"). Pursuant to the power vested in the Legislature, it enacted the Election Code governing the conduct of elections in the State of Georgia. *See* O.C.G.A. §§ 21-2-1 *et seq*. (the "Election Code"). Thus, through the Election Code, the Legislature established a statutory framework for choosing the presidential electors, as directed by the Constitution.

Executive branch officials – such as Respondents –must not act to substantially alter the Election Code in ways that affect the outcome of presidential elections. Such actions undermine the constitutional authority of the Legislature to determine the "Manner" in which its presidential electors are appointed, an authority granted specifically and exclusively to the

Legislature by the United States Constitution. See McPherson v. Blacker, 146 U.S. 1, 35 ("the legislature possesses plenary authority to direct the manner of appointment" of a state's electoral votes); see also Bush v. Gore, 531 U.S. 98, 104 (2000) ("the State legislature's power to select the manner for appointing electors is plenary"). Indeed, that authority is so complete that the United States Supreme Court has stated, "Whatever provisions may be made by statute, or by the state constitution, to choose electors by the people, there is no doubt of the right of the legislature to resume that power at any time, for it can neither be taken away nor abdicated" (citation and quotations omitted) (emphasis added). As a result, when the "Manner" for choosing electors provided by the Legislature is not followed, the Legislature is obligated to reclaim its authority to appoint Georgia's presidential electors. See 3 U.S.C. § 2 ("Whenever any State has held an election for the purpose of choosing electors, and has failed to make a choice on the day prescribed by law, the electors may be appointed on a subsequent day in such a manner as the legislature of such State may direct").

The Contested Election is so fraught with misconduct, fraud, irregularities, and/or errors on a broad, statewide scale, such that it is impossible to segregate valid ballots from invalid ballots, and as a result, it is impossible to determine the outcome of the election and to identify the candidate who received the most votes. The statutory remedy for an election so flawed as the Contested Election is a new election. *See* O.C.G.A. § 21-2-527. But the Legislature's powers to reclaim its powers and authority under the United States Constitution remains, and the Legislature can appoint Georgia's presidential electors. Given the looming meeting of presidential electors, and the utter failures of the Respondents to conduct the Contested Election in keeping with the Election Code, the Court should enjoin the certification of the results in the Contested Election,

allowing the Legislature to exercise its constitutional responsibility to appoint presidential electors for the State of Georgia.

Respectfully submitted this 7th day of December, 2020.

VERIFIED PETITION TO CONTEST GEORGIA'S PRESIDENTIAL ELECTION RESULTS FOR VIOLATIONS OF THE CONSTITUTION AND LAWS OF THE STATE OF GEORGIA, AND REQUEST FOR EMERGENCY DECLARATORY AND INJUNCTIVE RELIEF

COME NOW Donald J. Trump, in his capacity as a Candidate for President, Donald J. Trump for President, Inc., and David J. Shafer, in his capacity as a Georgia Registered Voter and Presidential Elector pledged to Donald Trump for President (collectively "Petitioners"), Petitioners in the above-styled civil action, by and through their undersigned counsel of record, and file this, their Verified Petition to Contest Georgia's Presidential Election Results for Violations of the Constitution and Laws of the State of Georgia, and Request for Emergency Declaratory and Injunctive Relief (the "Petition"), respectfully showing this honorable Court as follows:

INTRODUCTION

1.

The United States Constitution sets forth the authority to regulate federal elections: "The Times, Places and Manner of holding Elections for Senators and Representatives shall be prescribed in each State by the Legislature thereof; but the Congress may at any time by Law make or alter such Regulations, except as to the Places of choosing Senators." U.S. Const. art. I, § 4.

2.

With respect to the appointment of presidential electors, the Constitution further provides, "[e]ach State shall appoint, in such Manner as the Legislature thereof may direct, a Number of Electors, equal to the whole Number of Senators and Representatives to which the State may be entitled in Congress." U.S. Const. art. II, § 1.

3.

In Georgia, the General Assembly is the "legislature." See Ga. Const. art. III, § 1, para. I.

4.

Pursuant to the legislative power vested in the Georgia General Assembly (the "Legislature"), the Legislature enacted the Georgia Election Code governing the conduct of elections in the State of Georgia. See O.C.G.A. §§ 21-2-1 et seq. (the "Election Code").

5.

Thus, through the Election Code, the Legislature promulgated a statutory framework for choosing the presidential electors, as directed by the Constitution.

In this case, Petitioners present to this Court substantial evidence that the November 3, 2020, Presidential Election in Georgia (the "Contested Election") was not conducted in accordance with the Election Code and that the named Respondents deviated significantly and substantially from the Election Code.

7.

Due to significant systemic misconduct, fraud, and other irregularities occurring during the election process, many thousands of illegal votes were cast, counted, and included in the tabulations from the Contested Election for the Office of the President of the United States, thereby creating substantial doubt regarding the results of that election.

8.

Petitioners demonstrate that the Respondents' repeated violations of the Election Code constituted an abandonment of the Legislature's duly enacted framework for conducting the election and for choosing presidential electors, contrary to Georgia law and the United States Constitution.

9.

Petitioners bring this contest pursuant to O.C.G.A. §21-2-522.

10.

"Honest and fair elections must be held in the selection of the officers for the government of this republic, at all levels, or it will surely fall. If [this Court] place[s] its stamp of approval upon an election held in the manner this one [was] held, it is only a matter of a short time until

unscrupulous men, taking advantage of the situation, will steal the offices from the people and set up an intolerable, vicious, corrupt dictatorship." Bush v. Johnson, 111 Ga. App. 702, 705, 143 S.E.2d 21, 23 (1965).

11.

The Georgia Supreme Court has made clear that it is not incumbent upon Petitioners to show how voters casting irregular ballots would have voted had their ballots been regular. Petitioners "only [have] to show that there were enough irregular ballots to place in doubt the result." *Mead v. Sheffield*, 278 Ga. 268, 271, 601 S.E.2d 99, 101 (2004) (citing *Howell v. Fears*, 275 Ga. 627, 628, 571 S.E.2d 392, 393 (2002)).

12.

To allow Georgia's presidential election results to stand uncontested, and its presidential electors chosen based upon election results that are erroneous, unknowable, not in accordance with the Election Code and unable to be replicated with certainty, constitutes a fraud upon Petitioners and the Citizens of Georgia, an outcome that is unlawful and must not be permitted.

THE PARTIES

Secretary Raffensperger is a state official subject to suit in his official capacity because his office "imbues him with the responsibility to enforce the [election laws]." *Grizzle v. Kemp*, 634 F.3d 1314, 1319 (11th Cir. 2011).

JURISDICTION AND VENUE

35.

Jurisdiction is proper in this Court pursuant to O.C.G.A. § 21-2-523(a) as the Superior Court of the county where Secretary Raffensperger, the State Board of Elections, and Respondent Richard L. Barron are located. *See also Ga. Dep't of Human Servs. v. Dougherty Cty.*, 330 Ga. App. 581, 582, 768 S.E.2d 771, 772 (2015).

FACTUAL BACKGROUND

The Georgia Election Code and Election Contest Provisions

37.

The Election Code sets forth the manner in which the Citizens of Georgia are allowed to participate in the Legislature's duty of choosing presidential electors by specifying, *inter alia*, which persons are eligible to register to vote in Georgia, the circumstances and actions by which a voter cancels his or her voter registration, the procedures for voting in person and by absentee ballot, the manner in which elections are to be conducted, and the specific protocols and procedures for recounts, audits, and recanvasses. *See* O.C.G.A. §§ 21-2-1 et seq.

38.

The Election Code in O.C.G.A. § 21-2-522 provides the means for a candidate in a federal election to contest the results of said election based on:

- 1. Misconduct, fraud, or irregularity by any primary or election official or officials sufficient to change or place in doubt the result;
- 2. When the defendant is ineligible for the nomination or office in dispute;
- 3. When illegal votes have been received or legal votes rejected at the polls sufficient to change or place in doubt the result;
- 4. For any error in counting the votes or declaring the result of the primary or election, if such error would change the results; or
- 5. For any other cause which shows that another was the person legally nominated, elected, or eligible to compete in a run-off primary or election.²

The results of an election may be set aside when a candidate has "clearly established a violation of election procedures and has demonstrated that the violation has placed the result of the election in doubt." Martin v. Fulton Cty. Bd. of Registration & Elections, 307 Ga. 193-94, 835 S.E.2d 245, 248 (2019) (quoting Hunt v. Crawford, 270 GA 7, 10, 507 S.E.2d 723 (1998) (emphasis added).

40.

The Election Code "allows elections to be contested through litigation, both as a check on the integrity of the election process and as a means of ensuring the fundamental right of citizens to vote and to have their votes counted securely." *Martin*, 307 Ga. at 194.

41.

The Georgia Supreme Court has made clear that "it [is] not incumbent upon [Petitioners] to show how... voters would have voted if their... ballots had been regular. [Petitioners] only ha[ve] to show that there were enough irregular ballots to place in doubt the result." Mead at 268 (emphasis added).

The Contested Election

42.

On November 3, 2020, the Contested Election for electors for President of the United States took place in the State of Georgia.

43.

President Trump, former Vice President Joseph R. Biden (Mr. Biden), and Jo Jorgensen were the only candidates on the ballot for President in the Contested Election.

44.

The original results reported by Secretary Raffensperger for the Contested Election (the "Original Result") consisted of a purported total of 4,995,323 votes cast, with Mr. Biden "ahead" by a margin of 12,780 votes.

45.

The results of the subsequent Risk Limiting Audit conducted by the Secretary of State (the "Risk Limiting Audit") included a total of 5,000,585 votes cast, with Mr. Biden "ahead" by a margin of 12,284 votes.

46.

Part of

3. M. J. J. J.

On November 20, 2020, the Contested Election was declared and certified for Mr. Biden by a margin of only 12,670 votes (the "Certified Result").³

³ The first certified number of votes.

On November 21, 2020, President Trump and the Trump Campaign notified Secretary Raffensperger of President Trump's request to invoke the statutory recount authorized by O.C.G.A. § 21-2-495(c) for elections in which the margin is less than one-half of one percent (the "Statutory Recount"). A true and correct copy of President Trump's request for the Statutory Recount is attached hereto and incorporated by reference as **Exhibit 1**.

48.

The Statutory Recount is ongoing as of the time of the filing of this Petition.

49.

On multiple occasions Secretary Raffensperger announced he does not anticipate the Statutory Recount to yield a substantial change in the results of the Contested Election.

50.

On December 1, 2020, Robert Gabriel Sterling, Statewide Voting System Implementation

Manager for the Secretary of State, gave a press conference to discuss the status of the ongoing

Statutory Recount.

51.

During his press conference, Mr. Sterling stated that at least two counties needed to recertify their vote counts as the totals reached during the Statutory Recount differed from the Certified Results.

As of the date of this Petition, not all of Georgia's 159 counties have certified their results from the Statutory Recount.

53.

Consequently, as of the date of this Petition, Secretary Raffensperger has yet to certify the results from the Statutory Recount.

54.

The presidential electors of the States are scheduled to meet on December 14, 2020.

Therefore, this matter is ripe, and time is of the essence.

55.

An actual controversy exists.

56.

Because the outcome of the Contested Election is in doubt, Petitioners jointly and severally hereby contest Georgia's November 3, 2020, election results for President of the United States pursuant to O.C.G.A. §§ 21-2-521 and 21-2-522 et seq.,

57.

Petitioners assert that the laws of the State of Georgia governing the conduct of the Contested Election were disregarded, abandoned, ignored, altered, and otherwise violated by Respondents, jointly and severally, allowing a sufficient number of illegal votes to be included in

the vote tabulations, such that the results of the Contested Election are invalid, and the declaration of the presidential election in favor of Mr. Biden must be enjoined, vacated, and nullified.

THERE WERE SYSTEMIC IRREGULARITIES AND VIOLATIONS OF THE GEORGIA ELECTION CODE IN THE CONTESTED ELECTION

Requirements to Legally Vote in Georgia

58.

The Election Code sets forth the requirements for voting in Georgia, including the requirements that a voter must be: (1) "Registered as an elector in the manner prescribed by law; (2) A citizen of this state and of the United States; (3) At least 18 years of age on or before the date of the...election in which such person seeks to vote; (4) A resident of this state and of the county or municipality in which he or she seeks to vote; and (5) "Possessed of all other qualifications prescribed by law." O.C.G.A. § 21-2-216(a). "No person shall remain an elector longer than such person shall retain the qualifications under which such person registered." O.C.G.A. § 21-2-216(f).

59.

In violation of O.C.G.A. § 21-2-216, Respondents, jointly and severally, allowed thousands of unqualified persons to register to vote and to cast their vote in the Contested Election. These illegal votes were counted in violation of Georgia law. Exhibits 2, 3, 4, and 10 attached hereto and incorporated by reference.

O.C.G.A. § 21-2-216(b) provides that "[n]o person who has been convicted of a felony involving moral turpitude may register, remain registered, or vote except upon completion of the sentence."

61.

In violation of O.C.G.A. § 21-2-216(b), Respondents, jointly and severally, allowed as many as 2,560 felons with an uncompleted sentence to register to vote and to cast their vote in the Contested Election. Exhibit 3 attached hereto and incorporated by reference.

62.

In violation of Georgia law, Respondents, jointly and severally, counted these illegal votes in the Contested Election.

63.

"Any person who possesses the qualifications of an elector except that concerning age shall be permitted to register to vote if such person will acquire such qualification within six months after the day of registration." O.C.G.A. § 21-2-216(c).

64.

In violation of O.C.G.A. § 21-2-216(c), Respondents, jointly and severally, allowed at least 66,247 underage—and therefore ineligible—people to illegally register to vote, and subsequently illegally vote. See Exhibit 3.

In violation of Georgia law, Respondents, jointly and severally, counted these illegal votes in the Contested Election.

66.

In order to vote in Georgia, a person must register to vote.

67.

Respondents, jointly and severally, allowed at least 2,423 individuals to vote who were not listed in the State's records as having been registered to vote. See Exhibit 3.

68.

Respondents then, jointly and severally, improperly counted these illegal votes in the Contested Election.

69.

Because determining a voter's residency is necessary to confirm he or she is a qualified voter in this state and in the county in which he or she seeks to vote, the Election Code provides rules for determining a voter's residency and when a voter's residency is deemed abandoned. See O.C.G.A. § 21-2-217.

70.

"The residence of any person shall be held to be in that place in which such person's habitation is fixed." O.C.G.A. § 21-2-217(a)(1).

Additionally, "[t]he specific address in the county...in which a person has declared a homestead exemption...shall be deemed the person's residence address." O.C.G.A. § 21-2-217(a)(14).

72.

A voter loses his or her Georgia and/or specific county residence if he or she: (1) "register[s] to vote or perform[s] other acts indicating a desire to change such person's citizenship and residence;" (2) "removes to another state with the intention of making it such person's residence;" (3) "removes to another county or municipality in this state with the intention of making it such person's residence;" or (4) "goes into another state and while there exercises the right of a citizen by voting." O.C.G.A. § 21-2-217(a); see also O.C.G.A. § 21-2-218(f) ("No person shall vote in any county or municipality other than the county or municipality of such person's residence except ["an elector who moves from one county...to another after the fifth Monday prior to a[n]...election"] O.C.G.A.§ 21-2-218(e).)

73.

In violation of O.C.G.A. § 21-2-217, Respondents, jointly and severally, allowed at least 4,926 individuals to vote in Georgia who had registered to vote in another state after their Georgia voter registration date. See Exhibit 2.

74.

It is illegal to vote in the November 3, 2020, general election for president in two different states.

It is long established that "one man" or "one person" has only one vote.

76.

In violation of O.C.G.A. § 21-2-217, Respondents, jointly and severally, allowed at least 395 individuals to vote in Georgia who also cast ballots in another state (the "Double Voters"). See Exhibit 2.

77.

The number of Double Voters is likely higher than 395, yet Respondents have the exclusive capability and access to data to determine the true number of Double Voters.

78.

Respondents, jointly and severally, improperly counted these illegal votes in the Contested Election.

79.

Despite having the exclusive ability to determine the true number of Double Voters in Contested Election, to date Respondents, jointly and severally, have failed to properly analyze and remove the Double Voters from the election totals.

80.

1. 3 4 4 3 5

To date, and despite multiple requests, Respondents, jointly and severally, have failed to provide identifying information or coordinate with the other 49 states and U.S. Territories to adequately determine the number of Double Voters.

Respondents, jointly and severally, improperly counted these illegal votes in the Contested Election.

82.

In violation of O.C.G.A. § 21-2-217, Respondents, jointly and severally, allowed at least 15,700 individuals to vote in Georgia who had filed a national change of address with the United States Postal Service prior to November 3, 2020. *See* Exhibit 2.

83.

Respondents, jointly and severally, improperly counted these illegal votes in the Contested Election.

84.

If a Georgia voter "who is registered to vote in another county...in this state...moves such person's residence from that county...to another county...in this state," that voter "shall, at the time of making application to register to vote in that county...provide such information as specified by the Secretary of State in order to notify such person's former voting jurisdiction of the person's application to register to vote in the new place of residence and to cancel such person's registration in the former place of residence." O.C.G.A. § 21-2-218(b); see also The Democratic Party of Georgia, Inc. v. Crittenden, Civil Action File No. 1:18-CV-05181-SCJ, Doc. 33, Supplemental Declaration of Chris Harvey, Elections Director of the Office of the Secretary of State, ¶ 11 (N.D. Ga. Nov. 13, 2018) ("If the state allowed out of county voting, there would be no practical way of knowing if a voter voted in more than one county.").

3.811. . d

In violation of O.C.G.A. § 21-2-218(b), Respondents, jointly and severally, allowed at least 40,279 individuals to vote who had moved across county lines at least 30 days prior to Election Day and who had failed to properly re-register to vote in their new county after moving. Exhibit 4 attached hereto and incorporated by reference.

86.

Respondents, jointly and severally, improperly counted these illegal votes in the Contested Election.

87.

In violation of O.C.G.A. § 21-2-217, Respondents, jointly and severally, allowed at least 1,043 individuals to cast ballots who had illegally registered to vote using a postal office box as their habitation. See Exhibit 2.

88.

Respondents then, jointly and severally improperly counted these illegal votes in the Contested Election.

89.

A postal office box is not a residential address.

90.

One cannot reside within a postal office box.

It is a violation of Georgia law to list a postal office box as one's voter place of habitation. See O.C.G.A. § 21-2-217(a)(1).

92.

Strate 3

A person desiring "to vote at any...general election" must apply to register to vote "by the close of business on the fifth Monday...prior to the date of such...general election." O.C.G.A. § 21-2-224(a).

93.

The application for registration is "deemed to have been made as of the date of the postmark affixed to such application," or if received by the Secretary of State through the United States Postal Service, by "the close of business on the fourth Friday prior to a . . . general election." O.C.G.A. § 21-2-224(c).

94.

In violation of O.C.G.A. § 21-2-224, Respondents, jointly and severally, allowed at least 98 individuals to vote who the state records as having registered after the last day permitted under law. See Exhibit 3.

95.

Respondents, jointly and severally, improperly counted these illegal votes in the Contested Election.

"Each elector who makes timely application for registration, is found eligible by the board of registrars and placed on the official list of electors, and is not subsequently found to be disqualified to vote shall be entitled to vote in any...election." O.C.G.A. § 21-2-224(d).

97.

Secretary Raffensperger is required to maintain and update a list of registered voters within this state.

98.

On the 10th day of each month, each county is to provide to the Secretary of State a list of convicted felons, deceased persons, persons found to be non-citizens during a jury selection process, and those declared mentally incompetent. See O.C.G.A. § 21-2-231(a)-(b), (d).

99.

In turn, any person on the Secretary of State's list of registered voters is to be removed from the registration list if the voter dies, is convicted of a felony, is declared mentally incompetent, confirms in writing a change of address outside of the county, requests his or her name be removed from the registration list, or does not vote or update his or her voter's registration through two general elections. See O.C.G.A. §§ 21-2-231, 21-2-235.

100.

Respondents, jointly and severally, did not update the voter registration list(s).

In violation of O.C.G.A. § 21-2-231(a)-(b) and (d), Respondents, jointly and severally, allowed as many as 10,315 or more individuals to vote who were deceased by the time of Election Day. See Exhibit 3.

102.

Respondents, jointly and severally, improperly counted these illegal votes in the Contested Election.

103.

Of these individuals, 8,718 are recorded as having perished prior to the date the State records as having accepted their vote. See Exhibit 3.

104.

Respondents, jointly and severally, improperly counted these illegal votes in the Contested Election.

105.

For example, Affiant Lisa Holst received three absentee mail-in ballots for her late father-in-law, Walter T. Holst, who died on May 13, 2010. Exhibit 5 attached hereto and incorporated by reference.

106.

Voter history shows that an absentee ballot was returned for Mr. Holst on October 28, 2020.

Someone deceased for 10 years should not have received any absentee ballot.

Another Affiant, Sandy Rumph, has stated that her father-in-law, who died on September 9, 2019, had his voter registration change from "deceased" to "active" 8 days *after* he passed away. **Exhibit 6** attached hereto and incorporated by reference.

111.

With his registration status change, his address was also changed online from his real address in Douglasville to an unfamiliar address in DeKalb County, 21d.

112.

Respondents jointly and severally failed to maintain and update voter registration lists which allowed voter registration information to be changed after the death of an elector.

İ13.

Respondents jointly and severally failed to maintain and update voter registration lists which allowed absentee ballots to be used fraudulently.

114.

The Legislature has established procedures for absentee voting in the state.

115.

Pursuant to O.G.C.A. 21-2-381, absentee ballots must be requested by the voter, or the voter's designee, before they can be sent out.

116.

In violation of O.C.G.A. § 21-2-381, Respondent Raffensperger sent unsolicited absentee ballot applications before the 2020 primary election to all persons on the list of qualified electors, whether or not an application had been requested by the voter.

117.

The unlawfully sent applications allowed the recipient to check a box to request an absentee ballot for the Contested Election in advance of the period for which an absentee ballot could be requested.

118.

Individuals wishing to vote absentee may apply for a mail-in ballot "not more than 180 days prior to the date of the primary or election." O.C.G.A. § 21-2-381(a)(1)(A) (emphasis added).

In violation of O.C.G.A. § 21-2-381(a)(1)(A), Respondents, jointly and severally, allowed at least 305,701 individuals to vote who, according to State records, applied for an absentee ballot more than 180 days prior to the Contested Election. See Exhibit 3.

120.

Respondents then, jointly and severally, improperly counted these illegal votes in the Contested Election. *Id.*

121.

Pursuant to O.C.G.A. § 21-2-381(b) an absentee voter must have requested an absentee ballot before such ballot is capable of being received by the voter.

122.

If such applicant is eligible under the provisions of the Election Code, an absentee ballot is to be mailed to the voter.

123.

In violation of O.C.G.A. § 21-2-385, Respondents, jointly and severally, allowed at least 92 individuals to vote whose absentee ballots, according to State records, were returned and accepted prior to that individual requesting an absentee ballot. See Exhibit 3.

124.

Respondents then, jointly and severally, improperly counted these illegal votes in the Contested Election. *Id.*

Absentee ballots may only be mailed after determining the applicant is registered and eligible to vote in the election. O.C.G.A. § 21-2-381(b)(1).

126.

In violation of O.C.G.A. § 21-2-381(b)(1), Respondents, jointly and severally, allowed state election officials to mail at least 13 absentee ballots to individuals who were not yet registered to vote according to the state's records. See Exhibit 3.

127.

Respondents then, jointly and severally, improperly counted these illegal votes in the Contested Election. *Id.*

128.

Pursuant to O.C.G.A. § 21-2-384(a)(2) absentee ballots may not be mailed more than 49 days prior to an election.

129.

Respondents, jointly and severally, mailed at least 2,664 absentee ballots to individuals prior to the earliest date permitted by law. See Exhibit 3.

130.

Respondents then, jointly and severally, improperly counted these illegal votes in the Contested Election. *Id.*

According to State records, Respondents jointly and severally allowed at least 50 individuals to vote whose absentee ballots were returned and accepted prior to the earliest date that absentee ballots were permitted by law to be sent out. See Exhibit 3.

An absentee voter's application for an absentee ballot must have been accepted by the election registrar or absentee ballot clerk in order for that individual's absentee ballot vote to be counted. O.C.G.A. § 21-2-385.

134.

In violation of O.C.G.A. § 21-2-385, Respondents, jointly and severally, allowed at least 2 individuals to vote whose absentee ballot applications had been rejected, according to state records. See Exhibit 3.

Respondents, jointly and severally, improperly counted these illegal votes in the Contested Election. *Id.*

O.C.G.A. §21-2-381(b) mandates the procedures to be followed by election officials upon receipt of an absentee ballot application:

"Upon receipt of a timely application for an absentee ballot, a registrar or absentee ballot clerk...shall determine...if the applicant is eligible to vote in the...election involved. In order to be found eligible to vote an absentee ballot by mail, the registrar or absentee ballot clerk shall compare the identifying information on the application with the information on file in the registrar's office and, if the application is signed by the elector, compare the signature or mark of the elector on the application with the signature or mark of the elector's voter registration card. Upon receipt of each [absentee] ballot, a registrar or clerk shall write the day and hour of the receipt of the ballot on its envelope. The registrar or clerk shall then compare the identifying information on the oath with the information on file in his or her office, shall compare the signature or make on the oath with the signature or mark on the absentee elector's voter card or the most recent update to such absentee elector's voter registration card and application for absentee ballot or a facsimile of said signature or maker taken from said card or application, and shall, if the information and signature appear to be valid and other identifying information appears to be correct, so certify by signing or initialing his or her name below the voter's oath. O.C.G.A. § 21-2-386(a)(1)(C) mandates the procedures to be followed by election officials with respect to defective absentee ballots:

The board of registrars or absentee ballot clerk shall promptly notify the elector of such rejection, a copy of which notification shall be retained in the files of the board of registrars or absentee ballot clerk for at least one year. RESPONDENT RAFFENSPERGER DISREGARDED THE ELECTION CODE BY FIAT AND INSTRUCTED THE RESPONDENT COUNTIES TO DO LIKEWISE

142.

On March 6, 2020, Respondents Raffensperger and the State Election Board entered into a "Compromise and Settlement Agreement and Release" (the "Consent Decree") in litigation filed by the Democratic Party of Georgia, Inc., the Democrat Senatorial Campaign Committee, and the Democratic Congressional Campaign Committee (collectively the "Democrat Party Agencies").⁴ A true and correct copy of the Consent Decree is attached hereto and incorporated by reference as Exhibit 7.

143.

The litigation was one of more than one hundred lawsuits nationwide filed by Democrats and partisan affiliates of the Democratic Party to seeking to rewrite the duly enacted election laws of the states. Exhibit 8 attached hereto and incorporated by reference.

144.

Without legislative authority, Respondents unlawfully adopted standards to be followed by the clerks and registrars in processing absentee ballots inconsistent with the election code.

The Consent Decree exceeded Respondents' authority under the Georgia Constitution. See Ga. Const. art. III, §1; Exhibit 15 attached hereto and incorporated by reference; see also O.C.G.A. § 21-2-31 (providing that the State Election Board shall "formulate, adopt, and promulgate such

146.

The Consent Decree changed the plain language of the statute for receiving and processing absentee ballot applications and ballots.

147.

The Consent Decree increased the burden on election officials to conduct the mandatory signature verification process by adding additional, cumbersome steps.

148.

For example, the Consent Decree tripled the number of personnel required for an absentee ballot application or ballot to be rejected for signature mismatch.

149.

The unlawful Consent Decree further violated the Election Code by purporting to allow election officials to match signatures on absentee ballot envelopes against the application, rather than the voter file as required by O.C.G.A. §§ 21-2-381, 21-2-385

RESPONDENTS DID NOT CONDUCT MEANINGFUL VERIFICATION OF ABSENTEE BALLOT APPLICANT AND VOTER IDENTITIES

150.

Notwithstanding the unlawful changes made by the Consent Decree, the mandatory signature verification and voter identification requirements were not altogether eliminated.

Despite the legal requirement for signature matching and voter identity verification, Respondents failed to ensure that such obligations were followed by election officials. Exhibit 9 attached hereto and incorporated by reference.

152.

According to state records, an unprecedented 1,768,972 absentee ballots were mailed out in the Contested Election. Exhibit 10 attached hereto and incorporated by reference.

153.

Of the total number of absentee ballots mailed out in the Contested Election, 1,317,000 were returned (i.e., either accepted, spoiled, or rejected). *Id.*

154.

The number of absentee ballots returned in the Contested Election represents a greater than 500% increase over the 2016 General Election and a greater than 400% increase over the 2018 General Election. *Id.*

155.

The state received over a million more ballots in the Contested Election than the 2016 and 2018 General Elections. *Id.*

156.

The number of returned absentee ballots that were rejected in the Contested Election was 4,471, yielding a 0.34% rejection rate. *Id.*

The number of returned absentee ballots that were rejected in the 2016 General Election was 6,059, yielding a 2.90% rejection rate. *Id.*

158.

The number of returned absentee ballots that were rejected in the 2018 General Election was 7,889, yielding a 3.46% rejection rate. *Id.*

159.

Stated differently, the percentage of rejected ballots fell to 0.34% in 2020 from 2.9% in 2016 and 3.46% in 2018, despite a nearly sixfold increase in the number of ballots returned to the state for processing.

160.

The explosion in the number of absentee ballots received, counted, and included in the tabulations for the Contested Election, with the simultaneous precipitous drop in the percentage of absentee ballots rejected, demonstrates there was little or no proper review and confirmation of the eligibility and identity of absentee voters during the Contested Election.

161.

30 1.5 C

Had the statutory procedure for signature matching, voter identity and eligibility verification been followed in the Contested Election, Georgia's historical absentee ballot rejection rate of 2.90-3.46% applied to the 2020 absentee ballot returned and processed, between 38,250 and 45,626 ballots should have been rejected in the Contested Election. See Exhibit 10.

RESPONDENTS HAVE ADMITTED MISCONDUCT, FRAUD, AND WIDESPREAD IRREGULARITIES COMMITTED BY MULTIPLE COUNTIES

180.

The Secretary of State has admitted that multiple county election boards, supervisors, employees, election officials and their agents failed to follow the Election Code and State Election Board Rules and Regulations.⁶

181.

The Secretary of State has called The Fulton County Registration and Elections Board and its agents' ("Fulton County Elections Officials") job performance prior to and through the Election Contest "dysfunctional."

182.

The Secretary of State and members of his staff have repeatedly criticized the actions, poor judgment, and misconduct of Fulton County Elections Officials.

18 M

⁶ Note: These are samples and not an exhaustive list of the Secretary of State's admissions of Respondents' failures and violations of Georgia law.

Fulton County Elections Officials' performance in the 2020 primary elections was so dysfunctional that it was fined \$50,000 and subject to remedial measures.

184.

Describing Respondent Barron's Fulton County Elections in the Election Contest, Secretary Raffensperger stated, "Us and our office, and I think the rest of the state, is getting a little tired of always having to wait on Fulton County and always having to put up with [Fulton County Elections Officials'] dysfunction."

185.

The Secretary of State's agent, Mr. Sterling, said initial findings from an independent monitor allegedly show "generally bad management" with Fulton's absentee ballots.⁷

Fulton County Elections' Deception and Fraud

186.

The Secretary of State's Office claims it is currently investigating an incident where Fulton County election officials fraudulently stated there was a "flood" and "a pipe burst," which was later revealed to be a "leaky" toilet.

⁷ Ben Brasch, Georgia Opens 2 Investigations Into Fulton's Elections Operations, The Atlanta Journal-Constitution (Nov. 17, 2020), https://www.ajc.com/news/atlanta-news/georgia-opens-2-investigations-into-fultons-elections-operations/EVCBN4ZJTZELPDHMH63POL3RKQ/.

At approximately 10:00 p.m. on November 3, 2020, Fulton County Election Officials, who were handling and scanning thousands of ballots at the State Farm Arena, instructed Republican poll watchers and the press that they were finished working for the day and that the Republican poll watchers and the press were to leave. The Fulton County Elections Officials further stated that they would restart their work at approximately 8:00 a.m. on November 4, 2020.

188.

The Fulton County Election Officials lied.

189.

Deliberate misinformation was used to instruct Republican poll watchers and members of the press to leave the premises for the night at approximately 10:00 p.m. on November 3, 2020. Exhibits 12, 13, and 14 attached hereto and incorporated by reference.

190.

Section 198

1111

After Fulton County Elections Officials lied and defrauded the Republican poll watchers and members of the press, whereby in reasonable reliance the Republican poll watchers and members of the press left the State Farm Arena (where they had been observing the ballots being processed), without public transparency Fulton County Elections Officials continued to process, handle, and transfer many thousands of ballots. See Exhibit 14.

191.

Fulton County Elections Officials' fraudulent statements not only defrauded the Republican poll watchers and the press, but also deprived every single Fulton County voter, Georgian, American, and Petitioners of the opportunity for a transparent election process and have thereby placed the Election Contest in doubt.

RESPONDENTS CONSPIRED TO DISREGARD THE ELECTION CODE AND TO SUBSTITUTE THEIR OWN UNLAWFUL EDICTS

195.

In violation of O.C.G.A. § 21-2-386 et seq. the State Board of Election promulgated a rule that authorized county election board to begin processing absentee ballots on the third Monday preceding the election, provided they give the Secretary of State and the public notice of such intention to begin processing absentee ballots.

196.

Failure to follow the process directed by the statute is a derogation of the Election Code and denies voters the ability to cancel their absentee ballot up until Election Day.

197.

Respondents, jointly and severally, were complicit in conspiring to violate and violating the Election Code.

198.

As a direct and proximate result of Respondents multiple, continued, and flagrant disregard of the Election Code, the outcome of the Contested Election is not capable of being known with certainty.

199.

Petitioners incorporate by reference and reallege all prior paragraphs of this Petition and the paragraphs in the Counts below as though set forth fully herein.

Despite Respondents receiving substantial funding from the Center for Technology and Civic Life (CTCL), Respondents failed to use such funds to train the election workers regarding signature verification, the proper procedures for matching signatures, and how to comply fully with the Election Code. **Exhibit 11** attached hereto and incorporated by reference.

201.

Due to the lack of uniform guidance and training, the signature verification and voter identity confirmation was performed poorly or not at all in some counties and served as virtually no check against improper voting. See Exhibit 9.

RESPONDENT SECRETARY OF STATE <u>MUST</u> ALLOW AND CONDUCT AN AUDIT OF THE SIGNATURES ON ABSENTEE BALLOT APPLICATIONS AND ABSENTEE BALLOTS IN ORDER TO DETERMINE WHETHER THE SIGNATURES WERE PROPERLY MATCHED PRIOR TO BEING COUNTED AND INCLUDED IN THE TABULATIONS

202.

The data regarding the statistically tiny rejection rate of absentee ballots cast and counted in the Contested Election gives rise to sufficient concerns that there were irregularities that should be reviewed and investigated.

203.

Petitioners have brought these concerns about the signature matching and voter verification process to the attention of Respondent Raffensperger on five separate occasions since the Contested Election, requesting that the Secretary conduct an audit of the signatures on the absentee ballot applications and absentee ballots, via Letter on November 10, 2020; Letter on November

12, 2020; Letter on November 23, 2020; Email on November 23, 2020, and again via Letter on November 30, 2020. Exhibit 18 attached hereto and incorporated by reference.

204.

The Secretary of State is obligated by law to "to permit the public inspection or copying, in accordance with this chapter, of any return, petition, certificate, paper, account, contract, report, or any other document or record in his or her custody." O.G.C.A. § 21-2-586(a).

205.

Failure to comply with any such request by the Secretary of State or an employee of his or her office shall [constitute] a misdemeanor." O.G.C.A. § 21-2-586(a).

206.

The Secretary of State's refusal on five separate occasions to comply with requests to produce the signatures used to request absentee ballots and to confirm the identities of those individuals requesting such ballots in the contested election is a violation of O.G.C.A. § 21 2 586(a).

207.

In order for the Secretary of State to comply with O.G.C.A. § 21-2-586(a), professional handwriting experts recommend a minimum of Ten Thousand (10,000) absentee ballot signatures be professionally evaluated. Exhibit 16 attached hereto and incorporated by reference.

)

Petitioners respectfully request that the Court order the production of the records of the absentee ballot applications and absentee ballots, for purposes of conducting an audit of the signatures on absentee ballot applications and absentee ballots cast in the Contested Election.

THERE ARE MYRIAD REPORTS OF IRREGULARITIES AND VIOLATIONS OF THE ELECTION CODE DURING THE CONTESTED ELECTION

209.

Petitioners have received hundreds of incident reports regarding problems, irregularities, and violations of the Election Code during the Contested Election.

210.

From those reports, Petitioners have attached affidavits from dozens of Citizens of Georgia, sworn under penalty of perjury, attesting to myriad violations of law committed by Respondents during the Contested Election. See Exhibit 17.

211.

The affidavits are attached to this Petition as an Appendix, with details of the multiple violations of law. *Id.*

212.

Also included in the Appendix are sworn declarations from data experts who have conducted detailed analysis of irregularities in the State's voter records. See Exhibits 2, 3, 4, and 10.

COUNT I:

ELECTION CONTEST

O.C.G.A §21-2-521 et seq.

213.

Petitioners incorporate by reference and re-allege paragraphs 1 through 212 this Petition as set forth herein verbatim.

214.

Respondents, jointly and severally, have violated the Constitution of the State of Georgia.

215.

Respondents, jointly and severally, have violated the laws of the State of Georgia.

216.

Respondents, jointly and severally, have violated the Election Code.

217.

Respondents, jointly and severally, have violated State Election Board Rules and Regulations.

218.

Respondents, jointly and severally, have violated the basic tenants of an open, free, and fair election.

Respondents, jointly and severally, have failed in their duties to their constituents, the people of the State of Georgia, and the entire American democratic process.

220.

The Contested Election has been timely and appropriately contested per O.C.G.A. § 21-2-522 et seq.

221.

As a direct and proximate result of Respondents' actions, the Contested Election is fraught with misconduct, fraud, and irregularities.

222.

Due to the actions and failures of Respondents, many thousands of illegal votes were accepted, cast, and counted in the Contested Election, and legal votes were rejected.

223.

The fraud, misconduct, and irregularities that occurred under the "supervision" of Respondents are sufficient to change the purported results of the Contested Election.

224.

The fraud, misconduct, and irregularities that occurred under the "supervision" of Respondents are sufficient to place the Contested Election in doubt.

225.

Respondents' misconduct is sufficient to change the purported results in the Contested Election in President Trump's favor.

30 30 00

Respondents' misconduct is sufficient to place the purported Contested Election results in doubt.

227.

Respondents, jointly and severally, erred in counting the votes in the Contested Election.

228.

Respondents' error in counting the votes in the Contested Election would change the result in President Trump's favor.

229.

Respondents, jointly and severally, erred in declaring the Contested Election results in favor of Mr. Biden.

230.

Respondents' systemic negligent, intentional, willful, and reckless violations of the Georgia Constitution, Georgia law, as well as the fundamental premise of a free and fair election created such error and irregularities at every stage of the Contested Election—from registration through certification and every component in between—that the outcome of the Contested Election is in doubt.

231.

As a result, there is substantial doubt as to the outcome of the Contested Election, and the Contested Election and any certification associated therewith shall be enjoined, vacated, and nullified and either a new presidential election be immediately ordered that complies with Georgia

law or, in the alternative, that such other just and equitable relief is obtained so as to comport with the Constitution of the State of Georgia. See O.C.G.A. § 21-2-522.

COUNT II:

VIOLATIONS OF THE GEORGIA CONSTITUTION'S EQUAL PROTECTION PROVISION

232,

Petitioners incorporate by reference and re-allege paragraphs 1 through 212 f this Petition as set forth herein verbatim.

233.

The Constitution of the State of Georgia provides, "Protection and property is the paramount duty of government and shall be impartial and complete. No person shall be denied the equal protection of the laws." Ga. Const. art. I, § I, para. II.

234.

Under Georgia's Equal Protection Clause, "the government is required to treat similarly situated individuals in a similar manner." State v. Jackson, 271 GA 5 (1999), Favorito v. Handel, 285 Ga. 795, 798 (2009) (citation and quotations omitted). See Exhibit 15.

235.

This requires establishing a uniform procedure for all counties to conduct absentee voting, advance voting, and Election Day in-person voting.

¹⁰ In the event this Court enjoins, vacates, and nullifies the Contested Election, the Legislature shall direct the manner of choosing presidential electors. U.S. art II, § 1; see also Bush v. Gore, 531 U.S. 98.

Respondents, jointly and severally, failed to establish such uniform procedure for the verification of signatures of absentee ballots.

237.

Respondents, jointly and severally, failed to establish a uniform level of scrutiny for signature matching.

238.

Respondents, jointly and severally, failed to train those who would be conducting signature verification on how to do so.

239.

The burdens of applying for and voting an absentee ballot were different in various counties throughout the State of Georgia.

· 1000 ·

240.

Electors voting via by absentee mail-in ballot were not required to provide identification, other than a matching signature.

241.

Electors voting in person were required to show photo identification and verify the voter's identity.

The burdens of applying for and voting via absentee mail-in ballot were different from those for absentee in person.

243.

Georgia voters were treated differently depending on how they voted (i.e., whether by mail or in person), where they voted, when they voted, and for whom they voted.

244.

An elector in one county casting a ballot would not have his or her ballot treated in a similar manner as a voter in a different county.

245.

Electors in the same county would not have their ballots treated in a similar manner as electors at different precincts.

246.

20 B 30

Electors in the same precinct would not have their ballots treated in a similar manner whose votes were tabulated using different tabulators.

247.

Respondents, jointly and severally, failed to establish uniform procedures for treating similarly situated electors similarly.

Respondents' systemic failure to even attempt uniformity across the state is a flagrant violation of the Constitution of the State of Georgia.

249.

Such a violation of the rights of the Citizens of Georgia constitutes misconduct and irregularity by election officials sufficient to change or place in doubt the result of the Contested Election.

250.

As a result, there is substantial doubt as to the outcome of the Contested Election, and the Contested Election and any certification associated therewith should be enjoined, vacated, and nullified and either a new presidential election be immediately ordered that complies with Georgia law or such other just and equitable relief is obtained so as to comport with the Constitution of the State of Georgia. See O.C.G.A. § 21-2-522.

COUNT III:

VIOLATIONS OF THE GEORGIA CONSTITUTION'S DUE PROCESS PROVISIONS 251.

Petitioners incorporate by reference and re-allege paragraphs:1 through 212 of this Petition and Count II as set forth herein verbatim.

252.

Pursuant to the Constitution of the State of Georgia, "No person shall be deprived of life, liberty, or property except by due process of law." Ga. Const. art. I, § I, para. I.

Moreover, "All citizens of the United States, resident in this state, are hereby declared citizens of this state; and it shall be the duty of the General Assembly to enact such laws as will protect them in the full enjoyment of the rights, privileges, and immunities due to such citizenship." Ga. Const. art. I, § 1, para. VII.

254.

The right to vote is a fundamental right.

255.

When a fundamental right is allegedly infringed by government action, substantive due process requires that the infringement be narrowly tailored to serve a compelling state interest. Old S. Duck Tours v. Mayor & Aldermen of City of Savannah, 272 Ga. 869, 872, 535 S.E.2d 751, 754 (2000).

256.

By allowing illegal ballots to be cast and counted, Respondents diluted the votes of qualified Georgia electors.

257.

By allowing illegal ballots to be cast and counted, Respondents, by and through their misconduct, allowed the disenfranchisement of qualified Georgia electors.

Respondents, jointly and severally, violated the Due Process protections of qualified Georgia Electors guaranteed by the Georgia State Constitution.

259.

As a result, there is substantial doubt as to the outcome of the Contested Election and any certification associated therewith should be enjoined, vacated, and nullified and either a new presidential election be immediately ordered that complies with Georgia law or such other just and equitable relief is obtained so as to comport with the Constitution of the State of Georgia.

COUNT IV:

DECLARATORY JUDGMENT AND RELIEF

260.

Petitioners incorporate by reference and re-allege paragraphs 1 through 259 of this Petition as set forth herein verbatim.

261.

This claim is an action for a declaratory judgment pursuant to O.C.G.A. §§ 9-4-1 et seq.

262.

An actual controversy is ripe and exists between Petitioners and Respondents with regard to the misconduct, fraud, and irregularities occurring in the Contested Election, specifically including but not limited to:

a. The illegal and improper inclusion of unqualified voters on Georgia's voter list;

200 2 1 3

- b. allowing ineligible voters to vote illegally in the Contested Election;
- c. whether the Contested Election results are invalid;

Page 57 of 64

- d. whether the Consent Decree is unauthorized under Georgia law such that it is null and void, and unlawfully interfered with the proper administration of the Election Code;
- e, whether the results of the Contested Election are null and void.

It is necessary and proper that the rights and status amongst the parties hereto be declared.

264.

This Honorable Court is a Court of Equity and therefore endowed with the authority to hear and the power to grant declaratory relief.

265.

As a result of the systemic misconduct, fraud, irregularities, violations of Georgia law, and errors occurring in the Contested Election and consequently in order to cure and avoid said uncertainty, Petitioners seek the entry of a declaratory judgment providing that:

- a. ineligible and unqualified individuals are unlawfully included on Georgia's voter role;
- b. unregistered, unqualified, and otherwise ineligible voters cast their votes during the
 Contested Election;
- c. the Consent Decree is unauthorized under Georgia law and is therefore null and void; and
- d. the results of the Contested Election are null and void.

COUNT V:

REQUEST FOR TEMPORARY RESTRAINING ORDER AND PRELIMINARY AND PERMANENT INJUNCTIVE RELIEF.

266.

Petitioners incorporate by reference and re-allege paragraphs 1 through 265 of this Petition as set forth herein verbatim.

267.

Petitioners seek an emergency temporary restraining order, as well as preliminary and permanent injunctive relief per O.C.G.A. § 9-11-65, to:

- a. Order expedited discovery and strict compliance with all open records requests;
- b. Order Respondents to respond to this Petition within 3 days;
- c. Require Respondents to immediately fulfill their obligations under the Election Code to properly maintain and update Georgia's list of registered voters to remove ineligible voters;
- d. Prevent Respondents from allowing unqualified, unregistered, and otherwise ineligible individuals from voting in Georgia elections, including but not limited to the upcoming January 5, 2021 run-off¹¹;
- e. Require an immediate audit of the signatures on absentee ballot applications and ballots as described in Exhibit 16;
- f. Enjoin and restrain Respondents from taking any further actions or to further enforce the Consent Decree;

Mile W

g. Prevent the certification of the results of the Contested Election;

To the extent ineligible voters have already voted absentee for the January 5, 2021, runoff, those votes should be put into a provisional status.

- h. Enjoin the Secretary of State from appointing the Electors to the Electoral College;
- i. Order a new Presidential Election to occur at the earliest opportune time; and
- j. For such other relief that this Court deems just and proper under the circumstances.

In the absence of an emergency temporary restraining order and preliminary and permanent injunctions, Petitioners (and the Citizens of Georgia and the United States) will suffer irreparable harm for which there is no adequate remedy at law, while injunctive relief will cause no harm to Respondents.

269.

Immediate and irreparable injury, loss, or damage will result to the Petitioners (as well as the Citizens of Georgia and the United States) if the requested emergency injunctive relief is not granted.

270.

There will be immediate and irreparable damage to the Citizens of Georgia by allowing an illegal, improper, fraudulent, error-ridden presidential election to be certified, thereby improperly appointing Georgia's electors for Mr. Biden even though the Contested Election is in doubt.

271.

There will be irreparable damage to the Citizens of Georgia through their loss of confidence in the integrity of the election process by virtue of the illegal votes included in the tabulations of the Contested Election, which outweighs any potential harm to Respondents.

272.

Granting the requested relief will not disserve the public interest.

Petitioners will be irreparably injured in the event the prayed for injunctive relief is not granted.

274.

It is further in the public interest to grant Petitioner's request for emergency injunctive relief so that Georgia voters can have confidence that the January 5, 2021, Senate election is conducted in accordance with the Election Code.

275.

As early as possible, notice to Respondents of Petitioners' motion for emergency injunctive relief will be made via email and / or telephone.

276.

Petitioners are further entitled to the injunctive relief sought herein because there is a substantial likelihood of success on the merits.

277.

The damage to Petitioners is not readily compensable by money.

278.

STATE THE

The balance of equities favors entry of a temporary restraining order and injunctive relief against Respondents and would not be adverse to any legitimate public interest.

WHEREFORE, Petitioners respectfully pray as follows for emergency and permanent relief as follows:

- 1. That this Court, pursuant to O. C. G. A. § 21-2-523, expeditiously assign a Superior Court or Senior Judge to preside over this matter;
- 2. That this Court issue a declaratory judgment that systemic, material violations of the Election Code during the Contested Election for President of the United States occurred that has rendered the Contested Election null and void as a matter of law;

- 4. That this Court issue a declaratory judgment that systemic, material violations of the Election Code violated the voters' equal protection rights under the Constitution of the State of Georgia that have rendered the Contested Election null and void as a matter of law;
- That the Court issue an injunction requiring all Respondents to decertify the results of the Contested Election;
- 6. That the Court order a new election to be conducted in the presidential race, in the entirety of the State of Georgia at the earliest date, to be conducted in accordance with the Election Code;

- 12. That the Court order the Secretary of State and other Respondents to release to Petitioners for inspection all records regarding the Contested Election pursuant to O.C.G.A. § 21-2-586;
- 13. That the Court order all Respondents to immediately identify and remove felons with uncompleted sentences, cross-county voters, out-of-state voters, deceased voters, and other ineligible persons from Respondents' voter rolls within the next 30 days;
- 14. That the Court declare that all rules adopted by the Respondents Secretary of State or the State Election Board in contravention of the Georgia Election Code be invalidated, specifically regarding the authentication and processing of absentee ballots, to wit State Election Board Rule 183-1-14-0.9-.15;
- 15. That the Court order such other relief as it finds just and proper.

AFFIDAVIT OF MATT BRAYNARD

Personally appeared before the undersigned officer, duly authorized to administer oaths, Matt Braynard, who, after being sworn, testifies and states as follows:

1.

My name is Matt Braynard. I am over the age of 21, suffer from no disability, and am competent to make this Affidavit, which I do of my own personal knowledge.

2.

I have been retained as an expert witness on behalf of Petitioner in the above captioned proceeding. I expect to testify on the following subject matters: (i) analysis of the database for the November 3, 2020 election for the selection of Presidential Electors in the State of Georgia ("State"); (ii) opinions regarding whether individuals identified in the State's voter database actually voted; and (iii) opinions regarding whether individuals identified in the State's voter database were actually qualified to vote on election day.

3.

This is a statement of my relevant opinions and an outline of the factual basis for these opinions. The opinions and facts contained herein are based on the information made available to me in this case prior to preparation of this report, as well as my professional experience as an election data analyst.

4.

I reserve the right to supplement or amend this statement on the basis of further information obtained prior to the time of trial or in order to clarify or correct the information contained herein.

5.

I reviewed the following documents in arriving at my opinions:

- a. The voter registration records, as maintained on the Georgia Secretary of State's website, for the November 3, 2020 election, the November 6, 2018 election, and the November 8, 2016 election ("Voter Registration Files")
- b. The mail-in and early in-person absentee voter records, as maintained on the Georgia Secretary of State's website, for the November 3, 2020 election, the November 6, 2018 election, and the November 8, 2016 election ("Voter Absentee Files")
- c. The complete list of individuals who voted in the November 3, 2020 election and previous statewide elections ("Voter History Files")
- d. Records maintained by the National Change of Address Source, which is maintained by the United States Postal Service and which is available for licensed users on the internet (the "NCOA database").
- e. Records developed by the staff of my call centers and social media researchers
- f. A national voter database maintained by L2 Political
- g. The United States Postal Service's official list of owned and leased facilities (the "USPS Owned and Leased Facilities Report")

6.

In addition, I discussed the facts of this matter with Petitioner's attorney, Ray S. Smith III, and members of his legal team.

7.

I have attached hereto as Exhibit 1 a true and correct copy of my resume. As detailed in the resume, I graduated from George Washington University in 2000 with a degree in Business Administration with a concentration in Finance and Management Information Systems. I have been working in the voter data and election administration field since 1996. I have worked to build and deploy voter databases for the Republican National Committee, five Presidential campaigns, and no less than one hundred different campaigns and election-related organizations in all 50 states and the U.S. Virgin Islands. I worked for eight years as a senior analyst at the nation's premier redistricting and election administration firm, Election Data Services (EDS), where I worked with states and municipalities on voter databases, delineation, and litigation support related to these matters. Also, while at EDS, I worked under our contract with the U.S. Census Bureau analyzing the voting age population. Since 2004, I have worked for my own business, External Affairs, Inc., providing statistical and data analysis for local, state, and federal

candidates and policy organizations in the areas of voter targeting, polling and research, fundraising, branding, and online development and strategy. My firm has worked for over two hundred candidates, from President to town council, and over a dozen DC-based policy and advocacy organizations.

8.

With respect to publications I have authored in the last 10 years, I have not authored any publications in the last 10 years.

9.

COMPENSATION

I have been retained as an expert witness for Petitioner and by one other legal organization, the Amistad Project, which has filed a separate citizen election contest in the State. I am being compensated for a flat fee of \$40,000.00.

10.

PRIOR TESTIMONY

At the time of this writing, I have not provided testimony as an expert either at trial or in deposition in the last four years.

11.

STATEMENT OF OPINIONS

As set forth above, I have been engaged to provide expert opinions regarding analysis that I, or members of my firm, have conducted on the November 3, 2020 election of Presidential Electors. Based on my review of the documents described above, my discussions with statisticians and analysts working with me and at my direction, my discussions with the attorneys representing the Petitioner, I have the following opinions:

12

From the State's Voter Absentee Files, the NCOA database, and the voter registration databases of other states, it is my opinion to a reasonable degree of scientific certainty, that at least 4,926 absentee or early voters were no longer legal residents of the State of Georgia when they voted due to their subsequent voter registration in another state. An additional 15,700 voters may have vacated their residence in the State of Georgia, as evidenced by their filing of an NCOA to an address in another state. In total, it is my opinion that there were 20,312 individuals who cast ballots illegally in the November 3, 2020 election due to their loss of residency status in the State prior to the election

13.

From the State's Voter Absentee Files and the USPS Owned and Leased Facilities Reports, it is my opinion that 1,043 early and absentee ballots were cast by voters who were illegally registered using a post office box disguised as a residential address.

4B8957DCF5E33

14.

From the State's Voter Absentee Files and Voter History Files for the November 3, 2020 election, and from a nationwide database maintained by L2 Political containing early and absentee voting files for other states, it is my opinion, to a reasonable degree of scientific certainty, that at least 395 individuals in the State of Georgia voted in multiple states (i.e., in Georgia and in another state).

15.

BASIS AND REASONS SUPPORTING OPINIONS

First, State maintains a database for the November 3, 2020 election which I obtained from L2 Political and which L2 Political obtained from the State's records on, among other things, voters who applied for an absentee or early voter status. I received this database from L2 Political in a table format with columns and rows which can be searched, sorted and filtered. Each row sets forth data on an individual voter. Each column contained information such as the name of the voter, the voter's address, whether the voter applied for an absentee ballot, whether the voter voted and whether the voter voted indefinitely confined status.

16.

Second, we are able to obtain other data from other sources such as the National Change of Address Database maintained by the United States Postal Service and licensed by L2 Political. This database also in table format shows the name of an individual, the individual's new address, the individual's old address and the date that the change of address became effective.

Third, we reviewed the list of owned and leased postal facilities, freely available for download from the US Postal Service website (https://about.usps.com/who/legal/foia/leasedfacilities.htm).

18.

Fourth, we compared Georgia's early and absentee voter list to our national voter file to find strong matches with voters outside of Georgia with subsequent registration dates, as well as strong matches to those who cast early and absentee ballots in both Georgia and at least one additional state.

19.

From the State's Voter Absentee Files, the NCOA database, and the voter registration databases of other states, it is my opinion to a reasonable degree of scientific certainty, that at least 4,926 absentee or early voters were no longer legal residents of the State of Georgia when they voted due to their subsequent voter registration in another state. An additional 15,700 voters may have vacated their residence in the State of Georgia, as evidenced by their filing of an NCOA to an address in another state. In total, it is my opinion that there were 20,312 or more individuals who cast ballots illegally in the November 3, 2020 election due to their loss of residency status in the State prior to the election.

20.

For this determination, I compared the State's Voter Registration Files to the voter registration databases in 49 other states using a list maintained by L2 Political. This analysis revealed 4,926 individuals who registered to vote in a state other than the State of Georgia subsequent to the date they registered to vote in the State of Georgia—a clear indication of their intention to establish residency in a new state. All 4,926 of these individuals cast ballots in the November 3, 2020 election. See Exhibit 2. Next, I took the State's database of all absentee or early voters (the Voter Absentee Files) and matched those voters to the NCOA database for the day after Election Day (November 3, 2020). This data identified an additional 15,700 individuals who had filed a national change of address to a location outside of the State prior to Election Day. See Exhibit 3. When merging these two lists, removing any duplicates, and accounting for moves that would not cause an individual to lose their residency and eligibility to vote under State law (i.e., by reducing the total number of moves by a reasonable percentage likely attributable to an educational or military relocation), this yields 20,312 individuals who voted in the November 3, 2020 election, yet were no longer legal residents of the State.

21.

From the State's Voter Absentee Files and the USPS Owned and Leased Facilities Reports, it is my opinion that 1,043 early and absentee ballots were cast by voters who were illegally registered using a post office box disguised as a residential address.

22.

For this determination, I directed my staff to compare the USPS Owned and Leased Facilities Report, an official list of leased and owned postal facilities maintained by the United States Postal Service, to the State's official list of early and absentee voters, the Voter Absentee Files. The matches are identified in Exhibit 4. We identified 1,043 voters that listed a postal facility as their physical residential address. In many cases, these residential addresses attempted to disguise the PO box number by listing an apartment number or suite number (E.G. "Apt 5402," "Suite 305B", "Unit 305A," etc.).

23.

From the State's Voter Absentee Files and Voter History Files for the November 3, 2020 election, and from early and absentee voting files for other states, it is my opinion, to a reasonable degree of scientific certainty, that at least 395 individuals in the State of Georgia voted in multiple states (i.e., in Georgia and in another state).

For this determination, I compared the State's list of early and absentee voters (the Voter Absentee Files) and the State's full list of voters in the November 3, 2020 election (the Voter History Files) and compared this to lists of other states' early and absentee voters available through L2 Political's database. Comparing these two lists (i.e., by matching on full exact name and full exact date of birth) revealed 395 individuals who both voted in the State of Georgia and in another state—a clear violation of state and federal law. See Exhibit 5. It should be noted that not all states have published complete lists of their early and absentee voters or election day voters yet. Thus, this analysis was conducted on an incomplete universe of data and represents a

minimum number of individuals who illegally voted in Georgia and in another state. The accurate total figure could be much higher.

25.

I have attached hereto as Exhibit 1 a true and correct copy of my resume. As detailed in the resume, I graduated from George Washington University in 2000 with a degree in Business Administration with a concentration in Finance and Management Information Systems. I have been working in the voter data and election administration field since 1996. I have worked to build and deploy voter databases for the Republican National Committee, five Presidential campaigns, and no less than one hundred different campaigns and election-related organizations in all 50 states and the U.S. Virgin Islands. I worked for eight years as a senior analyst at the nation's premier redistricting and election administration firm, Election Data Services (EDS), where I worked with states and municipalities on voter databases, delineation, and litigation support related to these matters. Also, while at EDS, I worked under our contract with the U.S. Census Bureau analyzing the voting age population. Since 2004, I have worked for my own business, External Affairs, Inc., providing statistical and data analysis for local, state, and federal

candidates and policy organizations in the areas of voter targeting, polling and research, fundraising, branding, and online development and strategy. My firm has worked for over two hundred candidates, from President to town council, and over a dozen DC-based policy and advocacy organizations.

8.

With respect to publications I have authored in the last 10 years, I have not authored any publications in the last 10 years.

COMPENSATION

I have been retained as an expert witness for Petitioner and by one other legal organization, the Amistad Project, which has filed a separate citizen election contest in the State. I am being compensated for a flat fee of \$40,000.00.

10.

PRIOR TESTIMONY

At the time of this writing, I have not provided testimony as an expert either at trial or in deposition in the last four years.

11.

STATEMENT OF OPINIONS

As set forth above, I have been engaged to provide expert opinions regarding analysis that I, or members of my firm, have conducted on the November 3, 2020 election of Presidential Electors. Based on my review of the documents described above, my discussions with statisticians and analysts working with me and at my direction, my discussions with the attorneys representing the Petitioner, I have the following opinions:

From the State's Voter Absentee Files, the NCOA database, and the voter registration databases of other states, it is my opinion to a reasonable degree of scientific certainty, that at least 4,926 absentee or early voters were no longer legal residents of the State of Georgia when they voted due to their subsequent voter registration in another state. An additional 15,700 voters may have vacated their residence in the State of Georgia, as evidenced by their filing of an NCOA to an address in another state. In total, it is my opinion that there were 20,312 individuals who cast ballots illegally in the November 3, 2020 election due to their loss of residency status in the State prior to the election

13.

From the State's Voter Absentee Files and the USPS Owned and Leased Facilities Reports, it is my opinion that 1,043 early and absentee ballots were cast by voters who were illegally registered using a post office box disguised as a residential address.

14.

From the State's Voter Absentee Files and Voter History Files for the November 3, 2020 election, and from a nationwide database maintained by L2 Political containing early and absentee voting files for other states, it is my opinion, to a reasonable degree of scientific certainty, that at least 395 individuals in the State of Georgia voted in multiple states (i.e., in Georgia and in another state).

15.

BASIS AND REASONS SUPPORTING OPINIONS

First, State maintains a database for the November 3, 2020 election which I obtained from L2 Political and which L2 Political obtained from the State's records on, among other things, voters who applied for an absentee or early voter status. I received this database from L2 Political in a table format with columns and rows which can be searched, sorted and filtered. Each row sets forth data on an individual voter. Each column contained information such as the name of the voter, the voter's address, whether the voter applied for an absentee ballot, whether the voter voted and whether the voter voted indefinitely confined status.

16.

Second, we are able to obtain other data from other sources such as the National Change of Address Database maintained by the United States Postal Service and licensed by L2 Political. This database also in table format shows the name of an individual, the individual's new address, the individual's old address and the date that the change of address became effective.

Third, we reviewed the list of owned and leased postal facilities, freely available for download from the US Postal Service website (https://about.usps.com/who/legal/foia/leasedfacilities.htm).

18.

Fourth, we compared Georgia's early and absentee voter list to our national voter file to find strong matches with voters outside of Georgia with subsequent registration dates, as well as strong matches to those who cast early and absentee ballots in both Georgia and at least one additional state.

19.

From the State's Voter Absentee Files, the NCOA database, and the voter registration databases of other states, it is my opinion to a reasonable degree of scientific certainty, that at least 4,926 absentee or early voters were no longer legal residents of the State of Georgia when they voted due to their subsequent voter registration in another state. An additional 15,700 voters may have vacated their residence in the State of Georgia, as evidenced by their filing of an NCOA to an address in another state. In total, it is my opinion that there were 20,312 or more individuals who cast ballots illegally in the November 3, 2020 election due to their loss of residency status in the State prior to the election.

20.

For this determination, I compared the State's Voter Registration Files to the voter registration databases in 49 other states using a list maintained by L2 Political. This analysis revealed 4,926 individuals who registered to vote in a state other than the State of Georgia subsequent to the date they registered to vote in the State of Georgia—a clear indication of their intention to establish residency in a new state. All 4,926 of these individuals cast ballots in the November 3, 2020 election. See Exhibit 2. Next, I took the State's database of all absentee or early voters (the Voter Absentee Files) and matched those voters to the NCOA database for the day after Election Day (November 3, 2020). This data identified an additional 15,700 individuals who had filed a national change of address to a location outside of the State prior to Election Day. See Exhibit 3. When merging these two lists, removing any duplicates, and accounting for moves that would not cause an individual to lose their residency and eligibility to vote under State law (i.e., by reducing the total number of moves by a reasonable percentage likely attributable to an educational or military relocation), this yields 20,312 individuals who voted in the November 3, 2020 election, yet were no longer legal residents of the State.

21.

From the State's Voter Absentee Files and the USPS Owned and Leased Facilities Reports, it is my opinion that 1,043 early and absentee ballots were cast by voters who were illegally registered using a post office box disguised as a residential address.

22.

For this determination, I directed my staff to compare the USPS Owned and Leased Facilities Report, an official list of leased and owned postal facilities maintained by the United States Postal Service, to the State's official list of early and absentee voters, the Voter Absentee Files. The matches are identified in Exhibit 4. We identified 1,043 voters that listed a postal facility as their physical residential address. In many cases, these residential addresses attempted to disguise the PO box number by listing an apartment number or suite number (E.G. "Apt 5402," "Suite 305B", "Unit 305A," etc.).

23.

From the State's Voter Absentee Files and Voter History Files for the November 3, 2020 election, and from early and absentee voting files for other states, it is my opinion, to a reasonable degree of scientific certainty, that at least 395 individuals in the State of Georgia voted in multiple states (i.e., in Georgia and in another state).

For this determination, I compared the State's list of early and absentee voters (the Voter Absentee Files) and the State's full list of voters in the November 3, 2020 election (the Voter History Files) and compared this to lists of other states' early and absentee voters available through L2 Political's database. Comparing these two lists (i.e., by matching on full exact name and full exact date of birth) revealed 395 individuals who both voted in the State of Georgia and in another state—a clear violation of state and federal law. See Exhibit 5. It should be noted that not all states have published complete lists of their early and absentee voters or election day voters yet. Thus, this analysis was conducted on an incomplete universe of data and represents a

minimum number of individuals who illegally voted in Georgia and in another state. The accurate total figure could be much higher.

25.
